GOVERNORS OFFICE 9TH FLR

Bob Kellar
Councilmember

The Honorable Jan Brewer
Governor of Arizona
1700 W. Washington
Phoenix, Arizona 85007

Dear Governor Brewer:

Your recent approval, along with the Arizona Legislature, of SB1070, Chapter 113, Statutes of 2010, the "Support our Law Enforcement and Safe Neighborhoods Act" clearly demonstrates your dedication to the citizens of Arizona and this nation. My name is Bob Kellar and I am on the City Council and am a former Mayor of the City of Santa Clarita; a city of about 185,000 people located 30 miles north of Los Angeles. I am writing to express my personal opinion regarding the new Arizona law. This is a city that has also suffered the impacts of illegal immigration. According to a recent study, illegal immigration cost Los Angeles County taxpayers over a billion dollars a year and that does not include education.

It seems unbelievable that our federal government has failed to carry out its constitutional responsibilities to protect this great nation. We have been invaded by millions of illegals. They have invaded this country and never had to fire a shot. Then, we have rewarded them by providing billions of dollars in welfare and social services. The devastation they have brought upon the American People and our communities is beyond measure.

I applaud you Governor Brewer, and can only hope and pray that your leadership of standing up for the Great State of Arizona, and America, will become a guiding light for other states and cities across this nation.

From a proud but worried American,

Bob Kellar
Member of the Santa Clarita City Council
